

PRIDE@SBU

The Pride Scholarship was established in June 2004 by The Lesbian, Gay, Bisexual, Transgender Faculty and Staff Network — now known as Pride@SBU — at Stony Brook University, which is a mixture of social events, resources, support, education and advocacy.

We are committed to creating and maintaining an open, safe and supportive environment for LGBT faculty, staff, students, alumni and the entire campus community. Membership is open to all SBU faculty, staff, alumni who support our mission of diversity and acceptance. The Pride Scholarship provides educational support to one or more full-time undergraduate or graduate students who demonstrate a commitment to and acceptance of diversity in the Stony Brook University community, as well as in their future professional endeavors.
